INTRODUCTION

On the 348 rolls of this microfilm publication are reproduced the applications submitted for shares of the money that was appropriated for the Eastern Cherokee Indians by the Congress on June 30, 1906. The Eastern Cherokee applications, August 29, 1906-May 26, 1909, are part of the Guion Miller Enrollment Records that are among the records of the U.S. Court of Claims. This publication also includes a general index to Eastern Cherokee applications (two vols.).

History

Before the U.S. Court of Claims was established in 1855 there was no procedure by which claims arising against the U.S. Government could be enforced by suit. Consideration of claims was provided for when the Treasury Department was established in 1789; later acts of the Congress authorized the Department to settle all claims by or against the Government. If a claim was rejected by the Treasury Department, the claimant's only course of action was to appeal directly to the Congress. Petitions to that body for relief had become so numerous by the middle of the 19th century that the Congress was beginning to find it impossible to make the proper and necessary investigations for actions on the claims.

The U.S. Court of Claims was established by an act of February 24, 1855, to hear claims against the United States including those referred to the court by the Congress, based on any law of the Congress, any regulation of an executive department, or any contract with the Government, whether explicit or implied. Under this act the court served only as a factfinding agency, and its conclusions were submitted to the Congress for approval and for the granting of awards. In 1863 the Congress enlarged the court's jurisdiction and gave it authority to render judgments against the Government, with the right of appeal to the Supreme Court. An act of 1925 abolished appeals from the Court of Claims to the Supreme Court and substituted writs of certiorari.

An act approved July 1, 1902 (32 Stat. 726), gave the Court of Claims jurisdiction over any claim arising under treaty stipulations that the Cherokee Tribe, or any band thereof, might have against the United States and over any claims that the United States might have against any Cherokee Tribe or band. Suit for such a claim was to be instituted within 2 years after the act was approved. As a result, three suits were brought before the court concerning grievances arising out of the treaties:

(1) *The Cherokee Nation* v. *The United States*, General-Jurisdiction Case No. 23199; (2) *The Eastern and Emigrant Cherokees* v. *The United States*, General-Jurisdiction Case No. 23212; and (3) *The Eastern Cherokees* v. *The United States*, General-Jurisdiction Case No. 23214.

On May 18, 1905, the court decided in favor of the Eastern Cherokees and instructed the Secretary of the Interior to identify the persons entitled to participate in the distribution of funds for payment of the claims. On June 30, 1906, the Congress appropriated more than $1 million for this purpose. The task of compiling a roll of eligible persons was begun by Guion Miller, special agent of the Interior Department. In a decree of April 29, 1907, the court (1) vacated that part of its earlier decision that had given the Secretary of the Interior responsibility for determing the eligbility of claimants and (2) appointed Miller as a special commissioner of the Court of Claims.

The same decree also provided that the fund was to be distributed to all Eastern and Western Cherokee Indians who were alive on May 28, 1906, who could establish the fact that at the time of the treaties they were members of the Eastern Cherokee Tribe or were descendants of such persons, and that they had not been affiliated with any tribe of Indians other than the Eastern Cherokee or the Cherokee Nation. The decree further provided that claimants should already have applications on file with the Commissioner of Indian Affairs, or should file such applications with the special commissioner of the Court of Claims on or before August 31, 1907. Additionally, applications for minors and persons of unsound mind were to be filed by their parents or persons having their care and custody, and applications for persons who had died after May 28, 1906, were to be filed by their children or legal representatives.

In his report of May 28, 1909, Miller stated that 45,847 separate applications had been filed, representing a total of about 90,000 individual claimants, 30,254 of whom were enrolled as entitled to share in the fund--3,203 residing east and 27,051 residing west of the Mississippi River. On June 10, 1909, the court confirmed and approved the roll, submitted by Miller in his report, of Eastern Cherokees who were entitled to a share of the fund except "so much as shall be expected (excepted) to on or before August 30, 1909." After the exceptions had been filed and investigated, Miller submitted a supplemental report and roll to the court on January 5, 1910. In this report he stated that about 11,750 exceptions had been made, that the names of 610 persons (238 east and 372 west of the Mississippi) had been added to the roll, and that the names of 44 persons (5 east and 39 west of the Mississippi) had been stricken from the roll because clerical errors in enrollment had been discovered. Thus the final figure on the total number of persons entitled to share in the fund was 30,820, of which 3,436 persons

resided east and 27,384 resided west of the Mississippi River. On March 15, 1910, the court finally decreed that the rolls be approved and that, after certain deductions for expenditures, payments were to be made equally among the Eastern Cherokees who were enrolled. The court also authorized the Secretary of the Treasury to issue a warrant in favor of each person.

In certifying the eligibility of the Cherokees, Miller used earlier census lists and rolls that had been made of the Cherokees by Hester, Chapman, Drennen, and others between 1835 and 1884. Copies of some of these rolls and the indexes to them are filed with the Miller records(filmed as M685). Other enrollment records used by Miller are among the classified subject files of the Bureau and are designated as "33931-11-053 Cherokee Nation."

Records

The applications contain sworn evidences of identity and were filed with the Interior Department's Office of Indian Affairs until April 29, 1907 (the last application was No. 22268), after which the applications were filed directly with the court. The application required each claimant to state fully his or her English and Indian names, residence, age, place of birth, name of husband or wife, name of tribe, and names of children. It further required the English and Indian names of the claimant's parents and grandparents, place of their birth, place of their residence in 1851 if they were living at that time, dates of their death, and a statement as to whether any of them had ever before been enrolled as Indians for annuities or other benefits and, if so, with what tribe. Each claimant was also to furnish the names of all brothers and sisters, with their ages and residences, and the names and residences of all uncles and aunts. Applications were required to be made under oath and to be supported by affidavits of two witnesses who were well acquainted with the applicant. With each application is a card showing final action taken and the reasons therefore. Filed with many of the applications are inquiries concerning the status of the cases, requests for further evidence, protests about unfavorable actions, form letters that had been sent by the special commissioner to the applicants as notices of rejection of their applications and returned by the Post Office Department as unclaimed, affidavits and statements of witnesses, powers of attorney, and last wills and testaments. The applications are arranged by the number assigned at the time the application was received. There are some gaps in the application numbers; these are explained on insert sheets at the appropriate places on the film. The index is arranged alphabetically by name (either English or Indian) of claimant.

Many of the files contain a cross-reference card to other applications. This cross-reference card often refers to the EX file, the report on exceptions filed by Miller on January 5, 1910.

Related Records

The records reproduced in this microfilm publication are part of the records in the custody of the National Archives and Records Service (NARS) designated as Records of the U.S. Court of Claims, Record Group (RG) 123. Among related records in this record group are additional records relating to Miller's enrollment of the Eastern Cherokees. These include receipts for Treasury warrants and miscellaneous correspondence, 1906-11. The original of these records is in RG 123; a copy is in RG 75.

Some related records in Records of the Bureau of Indian Affairs, RG 75, have been reproduced as NARS Microfilm Publication T496, *Census Roll, 1835, of the Cherokee Indians East of the Mississippi and Index to the Roll.* Also in RG 75 are the classified subject files of the Bureau.

Records Relating to Enrollment of Eastern Cherokees by Guion Miller, 1908-10, M685, contains the general index to Eastern Cherokee applications, 2 volumes; the report submitted by Guion Miller, May 28, 1909, 10 volumes; the roll of Eastern Cherokees, May 28, 1909; the report on exceptions filed, January 5, 1910; the supplemental roll of Eastern Cherokees, January 5, 1910; transcripts of testimony, February, 1908-March 1909, 10 volumes; various indexes and rolls of Eastern Cherokee Indians, 1851, 1854, and 1884; and miscellaneous notes and drafts.

Additional records relating to the enrollment of Eastern Cherokee Indians are in Records of the Office of the Secretary of the Interior, Record Group 48.

These records were prepared for filming by Jestine Turner and William D. Grover, who also prepared these introductory remarks.

Dear Sir Your letter of June the 2nd 1908 to Mrs Martha R. Turner Aplication No. 40722 came duly to hand and has been delayed on account of Mr John H. Eddings who has done most of the work in the Cherokee Enrollment. He is in carrospondence with parties in the Nation. I Supose the reason that my ansesters were not enrolled in 1835-6 and in 1846+1851 was because David Weever who is the ancester through whom I claim was Dead. They resided in Tenn. Mr Eddings will have the advice from Mr John Blackburn who is living in the Nation. No Sir none of my ancestors were Slaves, yes Sir I am considerd White except the Indian Tint and long black hare, as soon as we can get word from the Nation will write again. Truly Martha R. Turner.

Cohron, Kentucky.

Sir:

Relative to your application for participation in the Eastern Cherokee fund, please state why you, your parents and your grandparents, were never enrolled? Were any of your ancestors parties to the treaties of 1835-6 and 1846? State clearly the name of the ancestor through whom you claim and where that ancestor resided in 1835 and 1851? Were any of your ancestors slaves? Do you pass as white or colored in the community in which you live?

Give any other information obtainable tending to establish your right to share in this fund.

An early reply will be appreciated.

Very respectfully,

Special Commissioner.

Margaret D. Weeks being first duly sworn, deposes and says:

That I am 24 years of age and live in Pickens Co., Ga. I claim through my mother and her mother. My father was white. All the rest of my grandparents were white. My grandmother Anderson was a Berry before marriage. Don't know her given name. My mother is dead. She was 59 when she died and she died about four years ago. My mother used to live among the Indians in Cherokee Co., Ala. She just lived where they were. She was raised in Alabama and came to this country when I was about a year old. She never lived around where the Indians were when she came here. About 13 years ago my mother made claim but she never heard anything about it. Outside of that I never heard of her being on any roll or making application or receiving any money. I am recognized as white; my husband is white. None of my mother's brothers and sisters were on any roll that I know of. I don't know the first name of my great grandmother. Her name was Berry and she claimed to be a full blood Cherokee.

No. 40741 Action: Reject

Name Jamie Fields and —— children. Residence: 506 Callahan St, Muskogee, Okla.

Reasons: Claimant was born in about 1855 and neither she or her father, through whom she claims, were ever enrolled. Her mother was a colored woman. See Misc Jes. 3403. While claimant's son testified that his mother or her father were never held as slaves, it is very doubtful if he told the truth. They lived right in an Indian country and were not on any of the rolls, and claimant's father's name of Rolin, taken in connection with the negro blood the evidence shows he possessed would indicate very strongly that he was a slave and conclusively show that they were never recognized as Indians or a member of the tribe.

Sir:

Aug. 28, 1907, I forwarded to you the application of Mrs. Margaret M. Pool, No. 40,753, for a share in the fund due the Eastern Cherokees.

Answer to question 11 states, her mothers name was Enoche, a white woman, & that she was never married to Henry Morgan, her father, and that when she, (Mrs. Pool,) was about 10 or 12 years old, her mother married Casper Miller, a white man, and had four Children.

Question 14, calls for the date of death of her father & mother. Her answer as to her father states: "Don't know. went off to Missouri about beginning of war 1861, to Elm Grove, Holt County & that her mother died about April 7, 1891."

Answer to Qr. 16, states, she was the only child by Henry Morgan.

Answer to Qr. 20, gives the names of the Children of her Grand-father, Bill Morgan, as follows: Henry Morgan, (Mrs. Pool's father,) John Morgan, Mary Morgan, married Tom Snow, &

After diligent enquiry from old settlers, I ascertained the supposed names & address of some of the family, & wrote to them for the purpose of ascertaining their names & history. I heard from some of them, but their statements are so vague, I could not ascertain what I desired. The impression left on my mind was, that Henry Morgan, the father of Mrs. Pool, had married, & had several Children, & that he died in 1906. These letters I intended to answer, & when I heard from them, to write to you, but unfortunately, these letters became misplaced in my Office, as well as a memorandum of names & addresses, & were only found last Tuesday, the 26th inst. I now write to ascertain the status of the case, & to enquire how I must proceed. If Mr. Pool's* father is dead, & he married, & had Children, would not Mr. Pool & these Children, as 1/2 blood, be entitled Equally? I have never seen the Act of Congress,

Washington D.C.,

Dear Sir :Your favor of the 2nd inst received, in which you ask certain questions. Will say that John Ables , my Grandfather married a Cherokee Indian woman named Margaret Elizabeth Pritchett in North Carolina. He nor his wife ever lived in the Cherokee Nation .I do not know that any of my ancestors ever took part in the treaties of 1835-6 1846. My father,son of John Ables and Margaret Elizabeth Ables (Nee Pritchett),lived near Talequah and is living near there now. Sarah Jane Pritchett who was a full sister of Margaret Elizabeth Pritchett above mentioned,has been enrolled and has an allottment or did have. Some twenty years ago my father made application for enrollment for himself and we children and had the proof ready, but handed the matter over to Uncle Ed Ables in the matter of divisions of property between a second wife and we children. Uncle Ed is dead. The witness was Sarah J. Pritchett above mentioned. None of my ancestors were slaves and I have no African blood.

Yr. Truly.

Matilda J. Hester, after being first duly sworn, deposes and says:

I am 47 years of age; was born in Missouri. My grandmother was a full blood Cherokee Indian. This was my father's mother. My father was John C. Ables. I have never been alotted any land. My father has died since I made out this application. He dimd not make application for any of this money. I have never gotten any Indian money from the government nor did my father. My father was born in Missouri, Polk County. My father was about 80 years of age when he died. My grandfather was one of the first settlers in Missouri. He was born in North Carolina. My grandmother came with him and she died in Missouri. They came and settled on a farm and both died there. I have never tried before this time to get any Indian money. My father tried 21 years ago but dropped it. I never saw my grandmother. My father was a voter.

Application #40762, of Matilda J. Hester, of Avery, Okla—

Application #40762, of Matilda J. Hester—

Exceptions to the report of the Special Commissioner Miller of May 28th, 1909.

Sequoyah County, Oklahoma:

In the above cited case comes the applicant Matilda J. Hester, & excepts to the rejection of her case as reported by the Agentiin the case- and in compliance with the order of the Court of June 10th, 1909, here & now files her exceptions and objections to the rejection of her case--and on the following statement of facts as she understands her case reference to her parent and grand parents through whom she claims through the right applied for---

That her fathers name was John D. Abel, who died last March, at or near Vian, Okla.through whom she claims--

That her father was the child of Sarah Jane Abel, whose maiden name was Pritchett, a Cherokee Indian and member of the Cherokee Tribe of, and originally from North Carolina, and later from the state of Tennessee.

She Sarah Jane applis grand mother was born in the old Cherokee Nation in North Carolina, and died in Polk Co. Mo. prior to 1861.

That said Sarah Janes sister Jane was enrolled at Tahlequah as such Cherokee Indian--thereby affirming the fact of nationality of the applicant as to blood--

That her father John D. Abel was born in Tennessee, and was originally from there to Mo. then from Mo. to Arkansas, and from thence to the Indian Territory--where he died as stated--

Applicant avers positively as to her being a Cherokee by blood, and entitled to the rights applied for, and here and now files this her exceptions in her case in order to secure her rights before the Court as to defense in this her case for later presentation of facts therein, as to proof--and this right she respectfully asks the court to grant in her case, because as she alleges she has witnesses to testify positively as to her being just what she alleges herself to be--and thereon proposes to prove to the court her rights in the premises---

That her grand father Abel located in Mo. and was well situated as to a home, and decided to ther rema in, and was partly the cause of the family not having been enrolled as in the Cherokee Nation at any time--and as to enrollment back in the old Cherokee Nation prior to 1837,&. she is unable to state--

Applicant states that from her earliest childhood she has been taught and made to believe that she was a Cherokee by blood, and never knew the fact to be otherwise, hence this her exceptions in being denied recognition as such, and in view of the fact that she will be able to prove the fact by competent testimony, and soon---

Samuel Keisling, being first duly sworn and examined, deposes and says:

My name is Samuel Keisling; I am the husband of Sarah Keisling: my wife claims her Indian blood through her father, Milton McClure; my wife was born in 1852 in Jackson Co., Tenn., now Clay Co.: the father of mycwife was born in Jackson Co., Tenn. in 1821, I think; my wife's father, Milton McClure, got his Indians blood through his mother: Milton McClure's mother's maiden name was Stacey; I do not know her first name; I think that Milton McClure's mother was born in Jackson Co., Tenn.; my wife's ancestors through whom she claims her Indian blood have never lived with the Indians since 1820 as a member of the tribe; I am positive of the last statement; I never heard of my wife's ancestors whose names were Stacey, ~~xxarxbxxxxxxxxxxxxxxxxxxxxxxxx~~ ever living with the Indians; neither my wife nor any of the ancestors through whom she claims were ever enrolled and never received any money, land or other benefits: none of the ancestors through my wife claims ever had an Indian name: in 1835 and 1851 the ancestors of my wife through whom she claims her Cherokee Indian blood resided in Jackson Co., Tenn. my wife and the ancestors through whom she claims were always regarded as white people with an admixture of Cherokee Indian blood; none of the ancestors through whom my wife claims were ever held as slaves: I heard my father-in-law state that his great grandmother was a full blooded Cherokee Indian woman: I do not know when or where she was born nor where she lived with the Indians.

Sir:

Relative to your application for participation in the Eastern Cherokee fund please state why you, your parents and your grandparents, were never enrolled? Were any of your ancestors parties to the treaties of 1835-6 [illegible] 1846? State clearly the name of the ancestor through whom you claim and where that ancestor resided in 1835 and 1851? Were any of your ancestors slaves? Do you pass as white or colored in the community in which you live?

Give any other information obtainable tending to establish your right to share in this fund.

An early reply will be appreciated.

Very respectfully,

Special Commissioner.

You state in your application that you know nothing of the enrollments of 1835-6 and 1851 and that none of your ancestors were ever slaves. Do you pass as white people in the community in which you live?

Please give all your reasons for thinking that you are entitled to share in this fund.

My name is John Fuller. I am 25 years old. I live in Alabama. I have been away from Maysville except on visits for a number of years. I never got any money from the Governemnt. I claim through my mother who claimed to be Eastern Cherokee. Her name was Ruthian Fuller, before marriage Jadkson. My mother was somewhere about 70. I do not know whether she was enrolled or not. I suppose she lived in South Carolina in 1851. I cannot give any good reason for her not beeing enrolled but I remember hearing her say she never received anything. I never heard her say that she ever lived with the Indians. She has been with the Indians but I don not know that she associated with them. My mother I think claimed her blood through her mother, who claimed full-blood. Her name was probably ~~K~~ Jackson. I never saw my grandmother. I never heard my mother say about being with~~xx~~Indians. I know very little about her people.

My name is Vincent D. Lockhart. I am 59 years old. I have lived in Ga. all my life. I know John Fuller. I have known him some 25 or 30 years. I only know that they have always claimed Indian blood/ His mother claimed to be of Indian extraction. Her name was Ruthie Ann Fuller. I only know that his mother claimed Indian blood and the community recognized that she had some Indian blood. I do not know what kind of Indian blood she had. I know nothing about whether she was ever enrolled. I don't know of anything else except that they were of good character.

Dear Sir:

In the matter of your claim to share in the distribution of the Eastern Cherokee Fund, we write to inform you that the Special Commissioner in charge of the matter is doing all he can to complete the roll of those who are entitled to participate in said fund.

The purpose of the Commissioner is to ascertain certain facts from the claimants, which are indicated in the questions enclosed, and the work of meeting the claimants personally, and examining them will be completed during the coming summer and fall.

Among the applicants are a large number of persons having negro blood. The Commissioner will propound a question, perhaps, to each claimant, whether he or she has negro blood, and if so, will then enquire whether the negro ancestor was a slave. Regarding such persons we are advised that the Commissioner will report unfavorably upon their applications, on the ground that a slave, having no civil or political status, his children and grand-children, and other descendants, cannot share in the fund. With this view, we have no sympathy, believing that the decree of the Supreme Court of the United States means that all descendants of Eastern Cherokees, without regard to their blood, are entitled to share in the distribution of the fund, provided their ancestors were members of the Cherokee community when the treaty of 1835 was made, and afterwards.

You will observe the questions asked, relative to the enrollment of the applicants. ancestors on the roll of 1851. You are to understand that the omission of your ancestors' names from that roll does not all exclude you from present enrollment; but if your ancestors are on that roll, it will be your duty, of course, to so advise the Commissioner, and if their names do not appear on that roll, and you know why they do not appear, to so advise the Commissioner.

It is a historical fact that when the treaty of 1835 was sought to be executed and when the roll thereunder was prepared, many of the Cherokees in the East had fled to the mountains of the Carolinas and Tennessee, and of the adjacent section, and that for that reason they were not enrolled. It is also a historical fact that when the roll of 1851 was prepared, there were a large number of Cherokees living among the citizens of the United States, in the various Southern States, and that for that reason there was no opportunity to enroll them.

Write your answers to the questions which follow and return this to us.

RBHL/VM

Yours very truly,

Lyon & Lyon

Dear Mr. Taft:-

Having helped and honored you in all of your undertakings I write to ask you for aid and protection.

I know that my children and I have a right to a portion of the Territory.

I filed my claim to this effect in 1907; four applications were filed, one for each of my three children and one formyself. The number of the claim was 40798.

The reasons for my claim are that my mother, Ruthan Fuller, always claimed to be and was always known as a half breed Cherokee Indian, by her mother who was a full breed Indian . This fatt was known and sworn to by numbers of reliable witnesses.

Ruthan Fuller, my mother, has been dead thirteen or fourteen years and Dr. Lockport, of ~~Waynesville~~ Waynesville, Ga., who was her doctor when she died, has sworn in my behalf that Ruthan Fuller was always known to him as a half breed Cherokee Indian. Dr. Lockport had known my mother twenty- five or thirty years before her death.

Mr. Bud Chambers, of Homer, Ga., Justice of Peace , also swore to the fact that to the best of his knowledge my mother was a half breed Cherokee Indian.

Clai m No. 40798 was drawn up by Osser Brown, of Homer, Ga., the United States claim agent in this part if the country, and was witnessed by George Weyley, tax collector of Banks county, Georgia , who swore to the fact t hat during his twenty-five or thirty years acquaintance with my mother h had always believed her to be a half breed Indian.

I referred them to T. F. Hill, county judge of Banks Co., and he gave them a straight-forward reference as to my own and my mothers character.

I received no reply from any quarter until the past day or two when I received a letter from Special Commissioner Gerian Miller in which he says tha my claim does not give entire satisfaction.

Osser Brown suggested putting the matter into the hands of Lyon& Lyon, Attorneys at Law, Washington , D.C. Not knowing anything better to do I adopted his suggestion and asked him to write and tell them that if my claim had not received proper attention to kindly take the case up. What he wrote I do not know but I have not received any reply from them.

Now , President Taft, I feel that I have been treated in a very unjust manner and I consider my claim good, for if any one knows my mother those friends whose sworn testimony I have given you certainly ought to and I am willing to go on the stand in court to sustain my claim and to allow my children to tell in court what has always been told them.

Honored President, will you not look into this matter for me before the third Monday in October ,1909? Please do this for me and see that I, at least, get justice.

Thanking you in advance for your extreme courtesy and kindness I and hoping to hear from you at an early date I am, dear sir,

Most Gratefully Yours,

Esther Fowler

Replying to yours referring to application No. 40799, will say that the reason, if my ancestors were not enrolled was this: she being an orphan girl named Womack and married a white man named Moore. So far as I know she was a party to the treaty of 1835-46 and resided im Rabun Co. Ga. in 1835-51. None of my ancestors were ever slaves and I pass as white.

Were any of your ancestors parties to the treaties of 1835-6 and 1846? State clearly the name of the ancestor through whom you claim and where that ancestor resided in 1835 and 1851? Were any of your ancestors slaves? Do you pass as white or colored in the community in which you live?

An early reply will be appreciated.

David B. Lucas. #40802.

Davis B. Lucas being first duly sworn deposes and says:

My name is David B. Lucas, and I live at Irving, Tex. I am 35 years old. I claim my Cherokee Indian descent through my mother, Ma[illegible] Mary E. ~~Houston~~ Houston. She was 64 years old when she died. My mother ~~started~~ started her claims for money and lands about 25 years ago. I have heard my mother say that she got her Indian blood on her mother's side. My mother was born in Miller County, Mo. My grandmother was named Timy Houston. She died in Dallas County, Tex. about 10 years ago at the age of 85. She was born near Tuscombie Ala. She left Ala. when she was about 13 years old and went to middle Tenn. Then she went to Mo. where she was married. My grandmother got her Indian blood through her mother, Polly Estis. Who was a Gipson. I do not know how much Indian blood Polly Estis had, but I am sure she was not a full blood. She died some time in 1850 in Morgan County, Mo. I do not know when and where she was born.

Hermother's name was Mary Lomax. Her owner was Joe Lomax. We were all slaves and freed at the time of the surrnder. My mother claimed her blood through her father Ben Lomax. He was about half Indian. I supposecit was Cherokee Indian. I never got any money. My mother never got any. money A Mr. Chambers owned my father. I do not know the full blood through whom I claim. Mr Guion Millen
Washington D.C.

Dear Sir;

I have in my
posesion a letter of July 15th
from you to my father
Wm A. Tilley Briton N. C.
Asking why he nor his
Grand parents were never
enrolled. I dont know
why. but have never had
reason to think there was
ever any of our Ancestors
slaves or had any negro
blood in them. The
reason we have for
thinking we should
share in the fund is

J. W. TILLEY,

Furniture, Crockery, Carpets, and

House Furnishings.

Pilot Mountain, N. C., _____ *190*

through Harris, I am
a Son of Wm A. Tilley
his father Joel a Tilley a son
of Aaron B. Tilley his father
was Joel Tilley! Joel Tilley's
wife was Elisabeth Harris a
sister of Bill Harris and
Bill Harris is Robt Harris's
Grandfather of Mt Airy N.C.

This is the way I understand
this and the reason my father
did not come here to give
testimony Concerning his
case was because I his
Agt or Lawyer told him
it was for us me.

I would like to know
if I have an application

J. W. TILLEY,

Furniture, Crockery, Carpets, and

House Furnishings.

Pilot Mountain, N. C., _____ *190*

on file, I think I sent in
one about the last of Nov-
and dont remember getting a
any reply from it. While some
of my relations heard from
this - that are the same blood
of me - If you can
give me any reply will
be glad to hear from you.
I was at Mt Airy N.C.
at the time I sent in
my application
